## ABOUT US

Bang Overseas Ltd is one of the leading manufacturers and exporters of men's wear. Headquartered in Mumbai, our fast growing company was established in the year 1992. Since then we have engaged ourselves in apparel, textile and retail market. We have always focused on the men's wear section however we also deal in providing rare services like concept development, designing, manufacturing, logistics and marketing.

Our company is built with a team of professionals who have fair experience in the garment manufacturing industry. Our high quality imported fabrics are very rarely used in the garment industry, which gives our clothes an edge over others. Managing very high quality standards for our products makes them flawless and impeccable, for which they have been accepted worldwide. We constantly keep a track and update our designers with the latest global fashion trends.

Our designers have been provided full leverage to use their innovation in our clothing, which at most times is very logically fashionable too. Our strong infrastructure and organized networking chain makes it really easy and simple on the clients end on receiving high quality and most trendy men wear and accessories at any stipulated time. All our products are made from superior quality fabrics & are ranged very competitively. We have rigorous quality norms for our products and services, hence we have always been able to meet international standards. Our company has built two fully equipped and modern apparels manufacturing units in Bangalore. These units have been made with state of art machinery that helps us to manufacture flawless clothing for men. These two modern manufacturing units are named as Reunion Clothing Company and Formal Clothing Company.

Our range – men's formal wear & casual wear are a unique combination of style and comfort that has led to our rapid growth and progress. Our wide range of quality products has enabled us to develop a strong customer loyalty. Every product of our company bears the mark of excellence in terms of quality and innovation. Our products are available in a wide range of colors, sizes, designs and patterns. We offer customized products based on customer specifications.

Quality is not just a norm for us, it is a commitment we follow. We have employed qualified professionals who endlessly perform quality checks at various stages of manufacturing to assure superior quality for our products. We import our raw materials from the most reliable sources in European markets. Our quality department cross checks these high quality and rare fabrics. We have engaged our quality control managers in the process of monitoring every step of the production process. Maintaining high quality standards at every stage helps us to manufacture excellent quality clothes and hence maximize customer satisfaction.

## MANAGING DIRECTOR'S MESSAGE

**Dear Shareholders,**

It is my honor to present 34<sup>th</sup> Annual Report of Bang Overseas Limited ("the Company") for the Financial Year 2025-26. India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries.

Bang Overseas Limited is one of the leading manufacturers and exporters of men's wear, established in 1992. With decades of experience, we have made a significant mark in the apparel, textile, and retail markets, renowned for our commitment to quality and innovation.

As your Managing Director, I wish to share a candid assessment of our performance, the challenges we faced, and our strategic plans for the future.

### **Our Journey**

Founded in 1992, Bang Overseas Limited started as a modest venture with a focus on delivering high-quality fabrics to the Indian market. Over the years, we have expanded our horizons, evolving into a comprehensive textile solutions provider. Our journey is marked by continuous growth, diversification, and an unwavering dedication to customer satisfaction.

### **Our Expertise**

Our team is composed of seasoned professionals with extensive experience in the garment manufacturing industry. This expertise, combined with our focus on quality, ensures that every garment we produce is flawless and impeccable, earning acceptance and admiration worldwide.

### **Performance and Challenges**

This past financial year has been a challenging one for Bang Overseas Limited. Despite our best efforts, we have faced significant hurdles, resulting in a financial loss for the year. The global economic downturn, coupled with disruptions in supply chains and fluctuating market demands, has impacted our operations and profitability. Although your Company has achieved revenue of Rs. 22,274.68 Lakh as against Rs. 19,049.17 Lakh in previous year. Your Company has incurred a Net Profit after tax (including Comprehensive income and exceptional item) of Rs. 491.69 as against Net Loss after tax (including Comprehensive income and exceptional item) of Rs. 204.79 Lakh for the corresponding previous financial year.

Challenges are inherent in any business, and it is during these times that our resilience and determination are truly tested. While the financial results are disappointing, they have provided us with valuable lessons and insights that will guide our future strategies.

## **Commitment to Quality and Innovation**

Our commitment to quality and innovation remains steadfast. Even in these difficult times, we have continued to invest in research and development, ensuring that our products meet the highest standards of quality and align with the latest fashion trends. Our design team has been relentless in their efforts to create contemporary and appealing collections, reinforcing our reputation for excellence in men's fashion. We expect FY 2026-27 to be marked as a strong foundation for our future growth.

The governance principles of your Company comprises but are not limited to doing the right things, maintain highest level of integrity, discipline, long-term and sustainable approach, controlled growth, aided by competent Board of Directors, and a process-driven approach.

## **Acknowledgements**

Despite the current challenges, I am optimistic about our future. We have a strong foundation, a dedicated team, and a loyal customer base that will support us in our recovery and growth journey. Together, we will overcome these challenges and emerge stronger, continuing to create value for all our stakeholders.

In conclusion, I would like to express my sincere gratitude to our shareholders, customers, employees, and business associates for their unwavering support and trust in Bang Overseas Limited. I thank all the Board Members for their ongoing support and bringing in expertise to drive the Company's success. I would like to thank my Employees who have been our pillars of success in every sense, helping the Company to reach newer heights and enabling us to deliver on the expectation of customers and all stakeholders.

5. Password details for shareholders other than Individual shareholders are given below:
  - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
  - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
  - c) How to retrieve your 'initial password'?
    - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and

- open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
- (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**

6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
  - a) Click on "**Forgot User Details/Password?**"(If you are holding shares in your demat account with NSDL or CDSL) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
  - b) **Physical User Reset Password?**" (If you are holding shares in physical mode) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
  - c) If you are still unable to get the password by aforesaid two options, you can send a request at [evoting@nsdl.com](mailto:evoting@nsdl.com) mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
  - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

## **Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.**

As per the SEBI Listing Regulations, all related parties of the Company, whether or not a party to the proposed transaction(s), shall abstain from voting on the said resolution.

The Board recommends passing the Ordinary Resolutions as set out in Item no. 3 of this Notice, for approval by the Members of the Company.

Mr. Brijgopal Bang, Managing Director, Mr. Vedant Bang and Mrs. Vandana Bang, Directors and their relatives are deemed to be concerned or interested in resolution no. 3 of this Notice.

None of the other Directors, Key Managerial Personnel of the Company and their respective relatives, are in any way, concerned or interested, financially or otherwise, except to the extent of their shareholding in the Company, if any, in the proposed resolution, as set out in Item no. 3 of this Notice.

#### **Item No. 4:**

The provisions of the Companies Act, 2013 ("the Act") read with Rules of the Companies (Meetings of Board and its Powers) Rules, 2014, as amended, and Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), require prior approval of the Members of the Holding Company by way of Ordinary Resolution for all material related party transactions of the Subsidiary Company, in which the Holding Company is not a party of the Transaction.

Regulation 23(4) of SEBI listing regulations provides that all **material related party transactions** shall require prior approval of the shareholders through an ordinary resolution.

The Company Vedanta Creations Limited (Wholly Owned Subsidiary of the Company) proposes to enter into certain related party transaction(s) as mentioned below, on mutually agreed terms and conditions, and the aggregate of such transaction(s), are expected to cross the applicable materiality thresholds as mentioned in the listing regulations and the Companies Act, 2013 of the Subsidiary Company. Accordingly, as per the SEBI Listing Regulations, prior approval of the Members of the Holding Company is being sought for all such arrangements / transactions proposed to be undertaken by the WOS Company. All the said transactions shall be in the ordinary course of business and on an arm's length basis.

The Audit Committee has, on the basis of relevant details provided by the management, as required by the law, at its meeting held on August 14, 2026, reviewed and approved the said transaction(s), subject to approval of the Members, while noting that such transaction shall be on arms' length basis and in the ordinary course of business of the WOS Company.

#### **Minimum Information to be provided to the shareholders for approval of Material RPTs:**

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### 1. INDUSTRY OVERVIEW

The textile and apparel industry continues to be an important contributor to the Indian economy, supporting employment, manufacturing activity, domestic consumption and exports. The industry encompasses the entire value chain, from fibre and yarn to fabrics, garments, home textiles and technical textiles.

The **men's wear segment** continues to evolve in line with changing consumer preferences, increasing fashion consciousness, urbanisation, growth of organised retail and the rapid expansion of e-commerce and digital commerce. Consumers are increasingly seeking a combination of quality, comfort, design, functionality and value.

#### Indian Textile and Apparel Industry – FY 2025–26

The Indian textile and apparel sector demonstrated resilience during FY 2025–26 despite global demand uncertainties, fluctuations in raw-material prices and evolving international trade conditions.

According to the Ministry of Textiles, Government of India, India's exports of **textiles and apparel, including handicrafts, increased from ₹3,19,573 crore in FY 2024–25 to ₹3,25,339 crore in FY 2025–26**, registering a growth of approximately **1.8%**. Export growth was recorded across more than 100 international destinations during the year.

Over the longer term, India's textile and apparel exports, including handicrafts, increased from **₹2,49,250 crore in FY 2019–20 to ₹3,25,339 crore in FY 2025–26**, representing a CAGR of approximately **4.5%**.

The performance demonstrates the underlying resilience of India's textile manufacturing and export ecosystem despite a challenging international operating environment.

### 2. PERFORMANCE OF KEY TEXTILE SEGMENTS

Ready-made garments remained the largest component of India's textile and apparel exports during FY 2025–26.

As per provisional DGCIS data reported by the Ministry of Textiles:

| Segment             | FY 2024–25   | FY 2025–26   | Growth |
|---------------------|--------------|--------------|--------|
| Ready-made Garments | ₹1,35,428 Cr | ₹1,39,350 Cr | 2.9%   |
| Cotton Textiles     | ₹1,04,064 Cr | ₹1,02,427 Cr | (1.6%) |

| Segment                 | FY 2024-25 | FY 2025-26 | Growth |
|-------------------------|------------|------------|--------|
| Man-made Textiles       | ₹44,788 Cr | ₹46,254 Cr | 3.3%   |
| Carpets                 | ₹13,037 Cr | ₹12,887 Cr | (1.2%) |
| Jute Products           | ₹3,385 Cr  | ₹3,381 Cr  | (0.1%) |
| Silk Products           | ₹1,370 Cr  | ₹2,262 Cr  | 65.1%  |
| Wool & Woollen Textiles | ₹1,355 Cr  | ₹1,566 Cr  | 15.6%  |
| Handloom Products       | ₹1,201 Cr  | ₹1,359 Cr  | 13.2%  |
| Handicrafts*            | ₹14,945 Cr | ₹15,855 Cr | 6.1%   |

\*Excluding handmade carpets. Figures are provisional and rounded off.

The **2.9% growth in ready-made garment exports** is particularly relevant to the Company's business in men's wear and reflects continued international demand for Indian garment manufacturing.

### 3. MEN'S WEAR AND READY-MADE GARMENT SEGMENT

The men's wear market continues to undergo structural changes driven by evolving lifestyles, increasing brand awareness and changing purchasing behaviour.

Key trends influencing the segment include:

- Increasing preference for branded and quality apparel;
- Growing demand for comfortable, fashionable and functional clothing;
- Continued shift towards casual and smart-casual wear;
- Growth in organised retail and e-commerce;
- Increasing penetration of digital and omnichannel sales;
- Greater consumer awareness of quality and sustainability;
- Increasing demand for differentiated products and designs; and
- Strong competition from domestic and international brands.

The expansion of e-commerce and digital channels is also providing apparel companies with greater access to consumers beyond traditional geographic markets.

For manufacturers and brands, product innovation, effective inventory management, quality consistency, cost competitiveness, speed-to-market and efficient distribution are increasingly important factors for sustainable growth.

#### 4. BUSINESS OVERVIEW

The Company is engaged in the manufacturing and/or trading of men's garments and related apparel products.

The Company's product portfolio may comprise shirts, trousers, T-shirts, jackets, ethnic wear and other men's apparel, depending upon the Company's specific product offerings.

The Company remains focused on delivering products that meet evolving customer requirements with emphasis on quality, design, competitive pricing, timely delivery and operational efficiency.

#### 5. OPERATIONAL PERFORMANCE

During FY 2025-26, the Company continued to focus on strengthening its operating capabilities and enhancing its product portfolio.

The principal areas of operational focus included:

- Product development and introduction of new designs;
- Improvement in production efficiency and capacity utilisation;
- Strengthening of quality-control processes;
- Reduction of manufacturing wastage;
- Efficient procurement of fabrics and accessories;
- Optimisation of inventory levels;
- Strengthening of dealer, distributor and retail networks; and
- Development of digital and online sales channels, wherever applicable.

The Company continues to evaluate market conditions and consumer trends to align its product mix with emerging demand.

#### 6. FINANCIAL PERFORMANCE

The financial performance of the Company for the year under review is summarized below:

The movement in revenue and profitability during the year was influenced by sales volumes, product mix, selling prices, raw-material costs, employee costs, operating expenses, finance costs and prevailing market conditions.

**The above paragraph should be customised using the Company's actual financial results rather than retaining generic wording.**

## 7. RAW MATERIAL AND PROCUREMENT

The Company's principal raw materials and inputs include fabrics, yarn, dyes, buttons, zippers, labels, packaging materials and other garment accessories, depending upon the nature of its operations.

Volatility in the prices of cotton, man-made fibres, blended fabrics and other inputs may affect production costs and operating margins.

The Company seeks to mitigate raw-material and procurement risks through planned procurement, supplier relationships, inventory management, quality control and cost-management initiatives.

## 8. MARKETING AND DISTRIBUTION

The Company continues to focus on strengthening its market presence through appropriate product positioning, competitive pricing, customer service and an efficient distribution network.

Depending upon the Company's business model, its products may reach customers through:

- Dealers and distributors;
- Multi-brand retail outlets;
- Exclusive brand outlets;
- Institutional customers;
- E-commerce platforms; and
- Direct-to-consumer digital channels.

The Company continues to evaluate opportunities for expanding its market reach while maintaining commercial discipline and effective working-capital management.

## 9. GLOBAL TEXTILE AND APPAREL INDUSTRY

The global textile and apparel industry operated in a challenging environment during FY 2025-26. Demand conditions in several major markets remained uncertain, while the industry continued to face raw-material and energy-cost volatility, geopolitical developments, supply-chain considerations and changes in international trade policies.

Against this backdrop, sourcing diversification has become increasingly important for international buyers. India's established textile ecosystem, manufacturing capabilities, availability of raw materials and large domestic market provide a strong foundation for increasing its participation in global textile and apparel supply chains.

India was the **sixth-largest exporter of textiles and apparel globally in 2024**, according to ITC Trade Map data cited by the Ministry of Textiles. India's textile and apparel exports, including handicrafts, stood at **US\$37.75 billion in FY 2024-25**, compared with US\$35.87 billion in FY 2023-24.

## 10. EXPORT MARKET DEVELOPMENTS

India's textile and apparel exports have shown increasing geographical diversification.

During FY 2025-26, exports of textiles and apparel including handicrafts to the **UAE, UK, Germany, Netherlands, Spain, France and Italy** increased, while exports to the United States moderated compared with the previous year.

The diversification of export destinations provides opportunities for Indian manufacturers to reduce concentration in individual markets and develop relationships with a broader international customer base.

## 11. GOVERNMENT SUPPORT AND POLICY ENVIRONMENT

The Government of India continues to implement various schemes and initiatives aimed at strengthening the competitiveness, manufacturing capacity and export potential of the Indian textile and apparel sector.

Key initiatives include:

- **PM Mega Integrated Textile Regions and Apparel Parks (PM MITRA);**
- **Production Linked Incentive (PLI) Scheme for Textiles;**
- **National Technical Textiles Mission;**
- **SAMARTH – Scheme for Capacity Building in Textile Sector;**
- **RoSCTL – Rebate of State and Central Taxes and Levies;**
- **RoDTEP – Remission of Duties and Taxes on Exported Products;**
- **Export Promotion Mission; and**
- **Credit Guarantee Scheme for Exporters.**

These initiatives are intended to promote investment, enhance manufacturing capabilities, improve productivity, support employment and strengthen India's competitiveness in international markets.

The Government has also undertaken measures to address emerging challenges affecting textile exports and to support the competitiveness of the sector.

## 12. KEY RISKS AND CONCERNS

### a. Raw Material Price Risk

Fluctuations in cotton, polyester, viscose and other fabric and accessory prices may affect production costs and margins.

### b. Demand Risk

Changes in consumer spending, economic conditions and consumer preferences may affect demand for apparel products.

### c. Fashion and Seasonal Risk

The apparel industry is influenced by fashion cycles and seasonal demand. Incorrect demand forecasting may result in excess inventory, markdowns and margin pressure.

### d. Competition Risk

The Company operates in a competitive market comprising established brands, private labels, organised retailers, e-commerce players and unorganised market participants.

### e. Inventory Risk

Efficient inventory management is critical to minimise holding costs, obsolescence and markdowns, particularly in fashion-sensitive product categories.

### f. Supply Chain Risk

Disruptions in the availability or timely delivery of fabrics, accessories and other inputs may affect production schedules and customer deliveries.

### g. Trade and Geopolitical Risk

Changes in tariffs, trade policies, international regulations, geopolitical conditions and currency movements may influence export demand and the competitiveness of Indian textile products.

## 13. INTERNAL CONTROL SYSTEMS

The Company maintains internal control systems commensurate with the size, scale and nature of its operations.

The internal controls are designed to safeguard assets, maintain reliable financial records, support operational efficiency, prevent and detect irregularities and ensure compliance with applicable laws and regulations.

The adequacy and effectiveness of internal controls are reviewed periodically by the appropriate management and governance mechanisms.

## 14. HUMAN RESOURCES

Human resources remain an important component of the Company's operations.

The Company seeks to maintain a capable and productive workforce through appropriate recruitment, training, skill development, employee engagement and welfare initiatives.

The Company remains committed to maintaining a safe, professional and conducive working environment and to developing employee capabilities in line with operational requirements.

## 15. SUSTAINABILITY AND QUALITY

Quality, resource efficiency and responsible business practices are becoming increasingly important in the textile and apparel industry.

The Company continues to focus on product quality, efficient utilisation of resources, reduction of production wastage and adherence to applicable standards and customer requirements.

Where relevant to its operations, the Company will continue to evaluate opportunities to improve sustainability across procurement, manufacturing, packaging and distribution.

## 16. FUTURE OUTLOOK

The medium- to long-term outlook for the Indian textile and apparel sector remains constructive, supported by India's large domestic market, established manufacturing ecosystem, availability of natural and man-made fibres, skilled workforce and increasing integration with global supply chains.

The growth of organised retail, e-commerce and digital commerce is expected to continue creating opportunities for the men's wear segment.

For the Company, opportunities are expected to arise from:

- Increasing demand for branded and quality apparel;
- Growth in casual and smart-casual wear;
- Expansion of e-commerce and omnichannel retail;
- Product innovation and differentiated designs;
- Expansion into new geographical markets;
- Development of private-label and institutional opportunities; and
- Potential growth in export-oriented manufacturing.

At the same time, the Company remains mindful of risks arising from raw-material prices, demand volatility, inventory levels, competition, labour costs, foreign-exchange movements and changes in international trade policies.

## 17. STRATEGIC PRIORITIES

The Company's principal areas of focus going forward include:

1. Increasing sales and market penetration;
2. Strengthening the men's wear product portfolio;
3. Improving production efficiency and capacity utilisation;
4. Enhancing product quality and consistency;
5. Strengthening distribution and retail presence;
6. Expanding digital and e-commerce opportunities;
7. Improving inventory and working-capital management;
8. Maintaining cost discipline;
9. Strengthening supplier and procurement management; and
10. Exploring opportunities in domestic and international markets.

## 18. KEY FINANCIAL RATIOS (On Standalone basis)

Appropriate explanations should be provided for any material change in the ratios compared with the previous financial year, in accordance with the applicable reporting requirements.

## 19. CAUTIONARY STATEMENT

Statements contained in this Management Discussion and Analysis describing the Company's objectives, expectations, estimates, projections or outlook may constitute forward-looking statements.

These statements are based on management's current expectations and assumptions and are subject to various risks and uncertainties. Actual results may differ materially from those expressed or implied due to economic conditions, market developments, changes in consumer preferences, raw-material prices, regulatory developments, competition, trade policies and other factors.

## 20. CONCLUSION

FY 2025-26 was characterized by resilience in India's textile and apparel sector despite a challenging global operating environment. India's textile and apparel exports, including handicrafts, increased by **1.8% to ₹3,25,339 crore**, while ready-made garment exports increased by **2.9% to ₹1,39,350 crore**.

The Company's focus remains on sustainable growth in the men's wear segment through product development, operational efficiency, disciplined cost management, strengthening of distribution channels and continued attention to quality and customer requirements.

Management remains cautiously optimistic about the medium- to long-term prospects of the sector and will continue to monitor domestic and international market developments and take appropriate measures to strengthen the Company's competitiveness and sustainable growth.

**Independent Auditors' Report**

**TO THE MEMBERS OF**

**BANG OVERSEAS LIMITED**

**Report on Audit of the Standalone Financial Statements**

**Opinion**

We have audited the standalone financial statements of Bang Overseas Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2026, the Profit and total comprehensive Profit, changes in equity and its cash flow for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

**Other Information**

The Company's Board of Directors is responsible for preparation of the other information. Other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

### **Responsibilities of Management and those charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to preparation of these standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with provisions of the Act for safeguarding assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for audit of the standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by management.
- Conclude on appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that

a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

## **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure-A a statement on the matters specified in paragraph 3 of the Order.

## **ANNEXURE ‘A’ TO INDEPENDENT AUDITOR’S REPORT**

Annexure ‘A’ referred to in Paragraph 1 of Report on Other Legal and Regulatory Requirements in our report to members of **BANG OVERSEAS LIMITED** (“the Company”) for the year ended 31st March, 2026.

We report that:

- i. In respect of its Property, Plant & Equipment:
- (a)
    - (i) The Company is maintaining proper records showing full particulars including quantitative details and situation of Property, Plant & Equipment;
    - (ii) The Company is maintaining proper records showing full particulars of Intangible Asset.;
  - (b) The Company has a regular programme of physical verification of Property, Plant & Equipment which is, in our opinion, reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain Property, Plant & Equipment have been physically verified by the management during the year and no material discrepancies have been noticed on such verification;
  - (c) According to the information and explanations received by us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and lease agreements are duly executed in favor of the lessee) disclosed in the financial statements are held in the name of Company.
  - (d) As per the information and explanation given to us by the management, the Company has not revalued its Property, Plant and Equipment or Intangible Assets during the year and hence provisions of Clause 3(i)(d) of the Order are not applicable to the Company;

## **ANNEXURE ‘B’ TO INDEPENDENT AUDITOR’S REPORT**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Bang Overseas Limited (‘the Company’) as of 31<sup>st</sup> March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring orderly and efficient conduct of its business, including adherence to Company’s policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Act.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such control operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about adequacy of the Company’s internal financial controls system over financial reporting and their operating effectiveness. Our audit of the internal financial controls over financial reporting included obtaining an understanding of the internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating design and operating effectiveness of the internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risk of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding reliability of financial reporting and preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **Note 1**

### **SIGNIFICANT ACCOUNTING POLICIES:**

#### **1. Background**

Bang Overseas Limited (BOL or the Company) incorporated in India is involved in business manufacturing and trading of Textile and Textile products.

#### **2. Basis of preparation of Financial Statements**

##### **i) Compliance with Ind AS**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

##### **ii) Historical cost convention**

The financial statements have been prepared on a historical cost basis, except defined benefit plan measured at fair value of plan assets less present value of defined benefit plan.

##### **iii) Current & non-current classification**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

##### **iv) Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest rupees as per the requirement of Schedule III, unless otherwise stated.

#### **3. Use of Estimate**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the period reported. Actual results could differ from those estimates. Any revision to accounting estimates is recognised in accordance with the requirements of the respective accounting standard.

#### **4. Property, plant and equipment**

##### **Tangible assets**

The Company has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. 01<sup>st</sup> April 2016 as the deemed cost under IND AS. Hence regarded thereafter as historical cost.

All items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure i.e. directly attributable to the acquisition of the items.

Subsequent costs are included in the assets carrying amount or recognised as separate assets, as

appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

### **Depreciation**

Depreciation on the property, plant and equipment is provided on straight line method at the rates prescribed and in the manner specified in Schedule II to the Companies Act, 2013 for the manufacturing units. Other units fixed assets have been continued depreciated by following written down value method. The gain and loss on disposal are determined by comparing proceeds with carrying amount. These are included in the statement of profit and loss.

## **5. Intangible Assets**

### **Computer software**

Computer software are stated at cost, less accumulated amortization and impairments, if any.

### **Amortization method and useful life**

The company amortizes computer software using straight-line method over the period of 6 years. Gain & Losses on disposal are determined by comparing proceeds with carrying amount. These are included in the statement of Profit and Loss.

## **6. Cash & Cash Equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash and Cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments with maturities of three months or less that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value.

## **7. Leases**

### **Operating lease**

#### **As a lessee**

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company, as lessee, are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

#### **As a lessor**

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

## **8. Inventories**

Inventories are valued at lower of cost or net realisable value. Cost is determined on following basis:

- i) Raw material and manufactured finished goods are valued at cost. Cost is determined by using average cost method.
- ii) Trade goods are valued at cost on FIFO basis.

## **9. Investment in subsidiaries**

Investment in subsidiaries are recognised at cost as per Ind AS 27. Except where investments accounted for at cost shall be accounted for in accordance with Ind AS 105, Non-current Assets Held for Sale and Discounted Operations, when they are classified as held for sale.

## **10. Investment in other financial assets**

### **Classification**

The Company classifies its financial assets in the following measurement categories:

1. Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
2. Those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

### **(ii) Measurement**

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

### **Debt instruments:**

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

1. **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.
2. **Fair value through profit and loss:** Assets that do not meet the criteria for amortised cost are measured at fair value through Profit and Loss. Interest income from these financial assets is included in other income.

### **Equity instruments:**

The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss. However, where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

### **(iii) Impairment of financial assets**

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

### **(iv) Income recognition**

**Interest income**

Interest income from debt instruments is recognized using the effective interest rate method.

**Dividends**

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established.

**11. Impairment of non- financial assets**

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the Company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss. When the Company considers that there are no realistic prospects of recovery

of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through profit or loss.

**12. Derivative financial instruments**

Derivative financial instruments such as forward foreign exchange contracts, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

**13. Borrowing Costs**

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

**14. Provision & contingent liabilities**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

**15. Revenue recognition**

Revenue from contracts with customers is recognised when control of the goods is transferred to the customer which usually is on delivery of goods to the transporter at an amount that reflects the

consideration to which the Company expects to be entitled in exchange for those goods. Revenue are measured at the fair value of the consideration received or receivable and net of indirect taxes.

The Company does not expect to have any contracts where the period between the transfer of promised goods to the customer and payment by the customer exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money.

A contract asset is the right to consideration in exchange for goods transferred to the customer. If the company performs by transferring the goods to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. The Company does not have any contract assets as performance under right to consideration occurs within a short period of time and all rights to consideration are unconditional.

A contract liability is the obligation to transfer goods to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfers goods to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the company performs under the contract.

## **16. Employee benefits**

### **Short term employee benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

### **Post –employment Benefits**

The Company operates the following post-employment schemes:

- a. defined benefit plans such as gratuity; and
- b. defined contribution plans such as provident fund.

### **Defined Benefit Plans**

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

## **Defined Contribution plans**

Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. Defined Contribution plan comprise of contributions to the employees' provident fund with the government and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are charged to Statement of Profit and Loss as incurred.

## **Other employee benefits**

The liabilities for earned leave is determined on the basis of accumulated leave to the credit of the employees as at the year-end charged to the statement of profit and loss as per the Company's rules being the short term benefits.

## **17. Foreign Currency translation**

### **(i) Functional and presentation currency**

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

### **(ii) Transactions and balances**

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

## **18. Tax Expenses**

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

### **Current tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

### **Deferred tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted

or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period

## **19. Earning per share**

### **Basic earnings per share**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year,

### **Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares

## **20. Cash Flow Statement**

Cash flows are reported using the indirect method whereby the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

## **21. Segment Reporting**

Operating segments are reported in manner consistent with the internal reporting provided to the chief operating decision maker. The management assesses the financial performance and position of the Company and makes strategic decisions. The chief operating decision maker consists of the Directors of the Company.

## (e) Financial Assumptions

The principal financial assumptions used in the valuation are shown in the table below:

| Particulars                            | For the year ending |           |
|----------------------------------------|---------------------|-----------|
|                                        | 31-Mar-26           | 31-Mar-25 |
| Discount rate (per annum)              | 7.25%               | 6.75%     |
| Salary growth rate (per annum)         | 4.00%               | 4.00%     |
| Attrition /Withdrawal rate (per annum) | 3.00%               | 3.00%     |
| Mortality rate (% of IALM 0608)        | 100%                | 100%      |

The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields / rates available on applicable bonds as on the current valuation date.

The salary growth rate indicated above is the Company's best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, sonority, promotions, past experience and other relevant factors such as demand and supply in employment market, etc.

## (f) Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below has been determined based on reasonably possible changes of assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis are given below:

|------------------------------------------------|-----------|----------|-----------|----------|
|                                                | Decrease  | Increase | Decrease  | Increase |
| Discount Rate (- / + 1%)                       | 63.37     | 52.96    | 94.28     | 79.20    |
| (% change compared to base due to sensitivity) | 9.60%     | -8.40%   | 9.40%     | -8.10%   |
| Salary Growth Rate (- / + 1%)                  | 52.77     | 63.49    | 78.96     | 94.43    |
| (% change compared to base due to sensitivity) | -8.70%    | 9.80%    | -8.40%    | 9.50%    |
| Attrition Rate (- / + 50% of attrition rates)  | 56.14     | 59.16    | 84.25     | 87.76    |
| (% change compared to base due to sensitivity) | -2.90%    | 2.30%    | -2.30%    | 1.80%    |
| Mortality Rate (- / + 10% of mortality rates)  | 57.75     | 57.85    | 86.15     | 86.27    |
| (% change compared to base due to sensitivity) | -0.10%    | 0.10%    | -0.10%    | 0.10%    |

Please note that the sensitivity analysis presented above may not be representative of actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There is no change in the method of valuation for the prior period. For change in assumptions please refer to section 5 above, where assumptions for prior period, if applicable, are given.

## **32. Financial Risk Management:**

### **Financial risk management objectives and policies**

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments.

Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

#### **Market Risk- Interest rate risk**

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

#### **Exposure to interest rate risk**

| <b>Particulars</b>                          | <b>(Rs. In Lakhs)</b>                   |                                         |

| Borrowing Bearing variable rate of interest | 1709.22                                 | 897.48                                  |

#### **Credit risk**

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information such as:

- i) Actual or expected significant adverse changes in business
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations
- iv) Significant increase in credit risk on other financial instruments of the same counterparty

### Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time, or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The table below analyses the financial liability of the company into relevant maturity groupings based on the remaining period from reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flow.

### 33. Capital Risk Management

#### Risk Management

The Company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders
- maintain an optimal capital structure to reduce the cost of capital

The Company monitors capital on the basis of the following debt equity ratio:

### 35. Fair Value Measurement

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans repayable on demand approximate their carrying amounts largely due to short term maturities of these instruments.

Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The carrying amounts and fair values of financial instruments by category are as follows:

The Financial Instruments are categorised in two level based on the inputs used to arrive at fair value measurement as described below

**Level 1:** quoted (unadjusted) prices in active markets for identical assets or liabilities.

**Level 2:** other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

**Market Risk- Foreign currency risk.**

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales and services in overseas markets and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies

**Report on the Audit of the Consolidated Financial Statements**

**Opinion**

We have audited the accompanying consolidated financial statements of Bang Overseas Limited (“hereinafter referred to as the Holding Company”) and its subsidiaries ( the Holding Company and its subsidiaries together referred to as “the Group”), which comprising of the Consolidated Balance Sheet as at March 31, 2026, and the consolidated statement of Profit and Loss, the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2026, of consolidated profit, consolidated changes in equity and its consolidated cash flows for the year then ended.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associates and jointly controlled entities in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**Responsibilities of management and those charged with governance for the Consolidated Financial Statements**

The Holding Company’s Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated

cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matters**

We did not audit the financial statements of Subsidiaries included in the consolidated financial statements, which constitute total assets of Rs. 1769.36 Lakhs as at 31st March 2026 and the total net profit after tax of Rs. 140.56 Lakhs for the year then ended. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated financial statements to the extent they have been derived from such financial statements is based solely on the report of such other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

**Report on Other Legal and Regulatory Requirements**

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

(d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.

(e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2026 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, none of the directors of the Group companies, incorporated in India is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The consolidated financial statements disclose the impact of pending litigations as at 31 March 2026 on the consolidated financial position of the Group. Refer Note 30 to the consolidated financial statements.

ii. The Group did not have any long term contracts including derivative contracts, for material foreseeable losses, if any as at March 31, 2026.

iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies, incorporated in India.

iv. a) The respective Managements of the Holding Company and its subsidiary company incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary company incorporated in India to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Holding Company or its subsidiary company incorporated in India or
- provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

(ii) The respective Managements of the Holding Company and its subsidiary company incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of their knowledge and belief, no funds have been received by the Holding Company or its subsidiary company incorporated in India from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary company incorporated in India shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Parties or

- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries

(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (d) (i) and (d) (ii) contain any material mis-statement

v. The Holding Company and its subsidiary company incorporated in India have neither declared nor paid any dividend during the year.

(h) With respect to the matter to be included in the Auditor’s Report under Section 197(16) of the Act

In our opinion and according to the information and explanations given to us, the remuneration paid during the current year by the Holding Company and its subsidiary company to its directors is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiary company is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us

(i) Based on our examination which included test checks, Group has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software (Refer Note 39 to the Consolidated Ind AS financial statements). Further, during the course of our audit we did not come across any instance of Audit trail feature being tempered with.

**ANNEXURE A TO INDEPENDENT AUDITORS REPORT**

Referred to in paragraph (f) of the Independent Auditors' Report of even date to the members of **Bang Overseas Limited** on the consolidated financial statements for the year ended March 31, 2026

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act**

1. In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2026, we have audited the internal financial controls over financial reporting of Bang Overseas Limited ("hereinafter referred to as "the Holding Company"), and its subsidiary companies, which are companies incorporated in India, as of that date.

**Management's Responsibility for Internal Financial Controls**

2. The respective Board of Directors of the Holding company, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

8. In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Other Matters**

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not qualified in respect of this matter.

## **Notes to the consolidated financial statements for the year ended 31<sup>st</sup> March 2026**

### **Note 1: Statement of significant accounting policies:**

#### **1. Background**

Bang Overseas Limited (BOL or the Company) incorporated in India is involved in business manufacturing and trading of Textile and Textile products.

#### **2. Basis of preparation of Financial Statements**

##### **i) Compliance with Ind AS**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

##### **ii) Historical cost convention**

The financial statements have been prepared on a historical cost basis, except defined benefit plan measured at fair value of plan assets less present value of defined benefit plan.

##### **iii) Current & non-current classification**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

##### **iv) Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest rupees as per the requirement of Schedule III, unless otherwise stated.

#### **3. Use of Estimate**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the period reported. Actual results could differ from those estimates. Any revision to accounting estimates is recognised in accordance with the requirements of the respective accounting standard.

#### **4. Principle of Consolidation**

The Consolidated financial statements relate to Bang Overseas Limited ("the company") and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

i) The financial statements of the Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intragroup balances and intra-group transactions.

ii) Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.

iii) In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year.

iv) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.

v) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.

## **5. Other Significant Accounting Policies**

These are set out under "significant Accounting Policies" as given in the company's standalone financial statements.

## (e) Financial Assumptions :

The principal financial assumptions used in the valuation are shown in the table below:

| Particulars                            | For the year ending |           |
|----------------------------------------|---------------------|-----------|
|                                        | 31-Mar-26           | 31-Mar-25 |
| Discount rate (per annum)              | 7.25%               | 6.95%     |
| Salary growth rate (per annum)         | 5.50%               | 5.50%     |
| Attrition /Withdrawal rate (per annum) | 4.00%               | 4.00%     |
| Mortality rate (% of IALM 0608)        | 100.00%             | 100.00%   |

The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields / rates available on applicable bonds as on the current valuation date.

The salary growth rate indicated above is the Company's best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, sonority, promotions, past experience and other relevant factors such as demand and supply in employment market, etc.

## (f) Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below has been determined based on reasonably possible changes of assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis are given below:

| Particulars                       | (Rs. In Lakhs) |           |
|-----------------------------------|----------------|-----------|
|                                   | As on          |           |

|                                                | Decrease       | Increase | Decrease  | Increase |
| Discount Rate (- / + 1%)                       | 65.52          | 54.66    | 96.13     | 80.64    |
| (% change compared to base due to sensitivity) | 11.3%          | -9.7%    | 11.6%     | -9.8%    |
| Salary Growth Rate (- / + 1%)                  | 54.46          | 65.63    | 80.40     | 96.28    |
| (% change compared to base due to sensitivity) | -9.9%          | 11.4%    | -10.0%    | 11.6%    |
| Attrition Rate (- / + 50% of attrition rates)  | 58.03          | 61.07    | 85.89     | 89.37    |
| (% change compared to base due to sensitivity) | -1.2%          | 1.4%     | -0.7%     | 0.6%     |
| Mortality Rate (- / + 10% of mortality rates)  | 59.65          | 59.75    | 87.77     | 87.89    |
| (% change compared to base due to sensitivity) | -0.1%          | 0.1%     | -0.1%     | 0.1%     |

Please note that the sensitivity analysis presented above may not be representative of actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There is no change in the method of valuation for the prior period. For change in assumptions please refer to section 5 above, where assumptions for prior period, if applicable, are given.

### 32. Segment Reporting:

Based on the “management approach” as defined in Ind AS 108 Operating Segments, the Director of the Company has been identified as Chief Operating Decision Maker (CODM). The Chief Operating Decision Maker evaluates the Company’s performance and allocate resources on the analysis of various performance indicator by business segment.

The Company is primarily engaged in single segment of manufacturing and marketing of textile and textile products and is managed as one business unit:

### 33. Financial Risk Management:

#### Financial risk management objectives and policies

The Company’s financial risk management is an integral part of how to plan and execute its business strategies. The Company’s financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments.

Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

### Market Risk- Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

### Exposure to interest rate risk

| Particulars                                 | (Rs. In Lakhs)                    |                                   |

### Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information such as:

- Actual or expected significant adverse changes in business
- Actual or expected significant changes in the operating results of the counterparty
- Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations
- Significant increase in credit risk on other financial instruments of the same counterparty

### Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time, or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The table below analyses the financial liability of the company into relevant maturity groupings based on the remaining period from reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flow.

### 36. Fair Value Measurement

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

· Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans repayable on demand approximate their carrying amounts largely due to short term maturities of these instruments.

Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The carrying amounts and fair values of financial instruments by category are as follows:

| (Rs. In Lakhs)                     |                                   |                        |                                   |                        |  |

The Financial Instruments are categorised in two level based on the inputs used to arrive at fair value measurement as described below

**Level 1:** quoted (unadjusted) prices in active markets for identical assets or liabilities.

**Level 2:** other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

**Market Risk- Foreign currency risk.**

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales and services in overseas markets and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies

**Independent Auditors' Report****TO THE MEMBERS OF****VEDANTA CREATIONS LIMITED****Report on Audit of Financial Statements****Opinion**

We have audited the financial statements of Vedanta Creations Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March, 2026, the Profit and total comprehensive Income, changes in equity and its cash flow for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

**Other Information**

The Company's Board of Directors is responsible for preparation of the other information. Other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

### **Responsibilities of Management and those charged with Governance for the Financial Statements**

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with provisions of the Act for safeguarding assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by management.
- Conclude on appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related

disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Sub-section (11) of Section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure-A a statement on the matters specified in paragraph 3 of the Order.
2. (A) As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books of accounts;
  - c) The Balance Sheet, Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - d) In our opinion, the aforesaid Ind AS financial statements comply with the accounting standards specified under section 133 of the Act;
  - e) On the basis of written representations received from the directors as on 31st March 2026 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026, from being appointed as a director in terms of sub section (2) of Section 164 of the Act;
  - f) With respect to adequacy of the internal financial control over financial reporting of the Company and operating effectiveness of such control, refer to our separate Report in Annexure 'B'; and

(B) With respect to the other matters to be included in the Auditors Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(a) The Company does not have pending litigations as at March 31, 2026, except litigations mentioned at Note No. 28(a) of the financial statement.

(b) The Company did not have any long term contracts including derivative contracts for which there were material foreseeable losses:

(c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(d) (i) As per the information and explanation given to us by the management, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) As per the information and explanation given to us by the management, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(e) The Company has neither declared nor paid any dividend during the year.

(f) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software (refer Note 39 to the Ind AS financial statements). Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

(C) As required by Section 197(16) of the Act, we report that the Company has not paid any remuneration to its directors during the year. Hence the provisions of and limits laid down under Section 197 read with Schedule V to the Act are not applicable.

## **ANNEXURE ‘A’ TO INDEPENDENT AUDITOR’S REPORT**

Annexure ‘A’ referred to in Paragraph 1 of Report on Other Legal and Regulatory Requirements in our report to members of **VEDANTA CREATIONS LIMITED** (“the Company”) for the year ended 31st March, 2026.

We report that:

- i. In respect of its Property, Plant & Equipment:
  - (a) (A) The Company is maintaining proper records showing full particulars including quantitative details and situation of Property, Plant & Equipment;
  - (B) The Company does not have any Intangible Asset;
  - (b) The Company has a regular programme of physical verification of Property, Plant & Equipment which is, in our opinion, reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain Property, Plant & Equipment have been physically verified by the management during the year and no material discrepancies have been noticed on such verification;
  - (c) According to the information and explanations received by us, as the Company owns no immovable properties, the requirement on reporting whether title deeds of immovable properties held in the name of the Company is not applicable.;
  - (d) As per the information and explanation given to us by the management, the Company has not revalued its Property, Plant and Equipment during the year and hence provisions of Clause 3(i)(d) of the Order are not applicable to the Company;
  - (e) As per the information and explanation given to us by the management, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder and hence provisions of Clause 3(i)(e) of the Order are not applicable to the Company.
- ii. In respect of its inventories:
  - (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by the management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory;
  - (b) The Company has been sanctioned working capital limits in excess of Rs 5 Crores in aggregate from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly statements filed with banks or financial institutions are in agreement with the books of account;

## **ANNEXURE ‘B’ TO INDEPENDENT AUDITOR’S REPORT**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Vedanta Creations Limited (‘the Company’) as of 31<sup>st</sup> March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring orderly and efficient conduct of its business, including adherence to Company’s policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Act.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such control operated effectively in all material respects.

Our audit involved performing procedures to obtain audit evidence about adequacy of the Company’s internal financial controls system over financial reporting and their operating effectiveness. Our audit of the internal financial controls over financial reporting included obtaining an understanding of the internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating design and operating effectiveness of the internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

## **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding reliability of financial reporting and preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **Note 1**

### **SIGNIFICANT ACCOUNTING POLICIES:**

#### **1. Background**

Vedanta Creations Limited (VCL or the Company) incorporated in India is involved in business of trading of Textile and Textile products.

#### **2. Basis of preparation of Financial Statements**

##### **i) Compliance with Ind AS**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

##### **ii) Historical cost convention**

The financial statements have been prepared on a historical cost basis, except defined benefit plan measured at fair value of plan assets less present value of defined benefit plan.

##### **iii) Current & non-current classification**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

##### **iv) Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest rupees as per the requirement of Schedule III, unless otherwise stated.

#### **3. Use of Estimate**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the period reported. Actual results could differ from those estimates. Any revision to accounting estimates is recognised in accordance with the requirements of the respective accounting standard.

#### **4. Property, plant and equipment**

##### **Tangible assets**

All items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure i.e. directly attributable to the acquisition of the items.

Subsequent costs are included in the assets carrying amount or recognised as separate assets, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

## **Depreciation**

Depreciation on the property, plant and equipment is provided on written down value method at the rates prescribed and in the manner specified in Schedule II to the Companies Act, 2013. The gain and loss on disposal are determined by comparing proceeds with carrying amount. These are included in the statement of profit and loss.

## **5. Cash & Cash Equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash and Cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments with maturities of three months or less that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value.

## **6. Leases**

### **Operating lease**

#### **As a lessee**

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company, as lessee, are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

#### **As a lessor**

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

## **7. Inventories**

Inventories are valued at lower of cost or net realisable value determined on FIFO basis. Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

## **8. Revenue Recognition**

Revenue from contracts with customers is recognised when control of the goods is transferred to the customer which usually is on delivery of goods to the transporter at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. Revenue are measured at the fair value of the consideration received or receivable and net of indirect taxes.

The Company does not expect to have any contracts where the period between the transfer of promise goods to the customer and payment by the customer exceeds one year. As a consequence, the Company does not adjust any of the transaction process for the time value of money.

A contract asset is the right consideration in exchange for goods transferred to the customer. If the company performs by transferring the goods to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. The

Company does not have any contract assets as performance under right to consideration occurs with-in a short period of time and all rights to consideration are unconditional.

A contract liability is the obligation to transfer goods to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfers goods to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Company performs under contract.

## **9. Investment in other financial assets**

### **Classification**

The Company classifies its financial assets in the following measurement categories:

1. Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
2. Those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

### **(ii) Measurement**

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

### **Debt instruments:**

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

1. **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.
2. **Fair value through profit and loss:** Assets that do not meet the criteria for amortised cost are measured at fair value through Profit and Loss. Interest income from these financial assets is included in other income.

### **Equity instruments:**

The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss. However, where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

### **(iii) Impairment of financial assets**

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

#### **(iv) Income recognition**

##### **Interest income**

Interest income from debt instruments is recognized using the effective interest rate method.

##### **Dividends**

Dividends are recognized in the Statement of Profit and Loss only when the right to receive payment is established.

#### **10. Impairment of non- financial assets**

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indication exists, the Company estimates the amount of impairment loss. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognized, then the previously recognized impairment loss is reversed through profit or loss.

#### **11. Foreign Exchange Transaction**

##### **(a) Functional and presentation currency**

The financial statements are presented in Indian rupees (INR), which is Company's functional and presentation currency.

##### **(b) Transaction and balances**

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

#### **12. Employee benefits**

##### **Short term employee benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

##### **Post –employment Benefits**

The Company operates the following post-employment schemes:

- a. defined benefit plans such as gratuity; and

b. defined contribution plans such as provident fund.

### **Defined Benefit Plans**

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

### **Defined Contribution plans**

Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. Defined Contribution plan comprise of contributions to the employees' provident fund with the government and certain state plans like Employees' State Insurance and Employees' Pension Scheme. The Company's payments to the defined contribution plans are charged to Statement of Profit and Loss as incurred.

### **Other employee benefits**

The liabilities for earned leave is determined on the basis of accumulated leave to the credit of the employees as at the year-end charged to the statement of profit and loss as per the Company's rules being the short term benefits.

## **13. Tax Expenses**

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

### **Current tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

### **Deferred tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used for taxation purpose.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted

or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

#### **14. Earning per share**

##### **Basic earnings per share**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year,

##### **Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares

#### **15. Cash Flow Statement**

Cash flows are reported using the indirect method whereby the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

#### **16. Provision and Contingent Liabilities**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

#### **17. Borrowing Costs**

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

#### **18. Segment Reporting**

Operating segments are reported in manner consistent with the internal reporting provided to the chief operating decision maker. The management assesses the financial performance and position of the Company and makes strategic decisions. The chief operating decision maker consists of the Directors of the Company.

## (e) Financial Assumptions

The principal financial assumptions used in the valuation are shown in the table below:

| Particulars                            | For the year ending |           |
|----------------------------------------|---------------------|-----------|
|                                        | 31-Mar-26           | 31-Mar-25 |
| Discount rate (per annum)              | 7.25%               | 6.75%     |
| Salary growth rate (per annum)         | 7.00%               | 7.00%     |
| Attrition /Withdrawal rate (per annum) | 5.00%               | 5.00%     |
| Mortality rate (% of IALM 06-08)       | 100%                | 100%      |

The discount rate indicated above reflects the estimated timing and currency of benefit payments. It is based on the yields / rates available on applicable bonds as on the current valuation date.

The salary growth rate indicated above is the Company's best estimate of an increase in salary of the employees in future years, determined considering the general trend in inflation, sonority, promotions, past experience and other relevant factors such as demand and supply in employment market, etc.

(f) Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below has been determined based on reasonably possible changes of assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of sensitivity analysis are given below:

Please note that the sensitivity analysis presented above may not be representative of actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There is no change in the method of valuation for the prior period. For change in assumptions please refer to section 5 above, where assumptions for prior period, if applicable, are given.

### 30. Segment Reporting:

Based on the “management approach” as defined in Ind AS 108 Operating Segments, the Director of the Company has been identified as Chief Operating Decision Maker (CODM). The Chief Operating Decision Maker evaluates the Company’s performance and allocate resources on the analysis of various performance indicator by business segment.

The company has only one geographical segment as it caters the need of domestic market only.

### 31. Financial Risk Management:

#### Financial risk management objectives and policies

The Company’s financial risk management is an integral part of how to plan and execute its business strategies. The Company’s financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments.

Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

#### Market Risk- Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company’s position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

#### Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information such as:

- i) Actual or expected significant adverse changes in business
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty’s ability to meet its obligations
- iv) Significant increase in credit risk on other financial instruments of the same counterparty

### Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time, or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The table below analyses the financial liability of the company into relevant maturity groupings based on the remaining period from reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flow.

## 32. Capital Risk Management

### Risk Management

The Company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders
- maintain an optimal capital structure to reduce the cost of capital

The Company monitors capital on the basis of the following debt equity ratio:

### 34. Fair Value Measurement

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

· Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans repayable on demand approximate their carrying amounts largely due to short term maturities of these instruments.

Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

The carrying amounts and fair values of financial instruments by category are as follows:

**Level 1:** quoted (unadjusted) prices in active markets for identical assets or liabilities.

**Level 2:** other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

**Market Risk- Foreign currency risk.**

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales and services in overseas markets and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies
